Sir,

Subject Construction of shops in the vegetable market at Nanjangud

In enclosing herewith an estimate for Rs 7000/- received, from the President, Town Municipal Council - Nanjangud with his report No H.C 24/47-48 dated 26-9-47 on the above subject, I have the honour to state that abutting the Main Bazaar road, infront of the existing vegetable market at Nanjangud, there is a large extent of open space which could be best utilised for shops in the interest of Municipal Revenue The Council with this - object in view have resolved at their meeting held on 27-8-47 to take up the work of construction of shops as per plan and estimate enclosed through their own agency to avoid delay and extra cost on account of T & P if the work is entrusted to the Sanitation Department under the existing rules

8 shops are proposed to be constructed as per plan It is anticipated that these shops when let out would bring in an additional income of 120/- per mensem or Rs 1440 per

Rs.1440/- per year which would be a permanent source of income to the Municipality

It is further stated that the Municipality has now more funds than anticipated due to sale of sites and the construction of shops would add to these funds Further it is proposed to meet the cost of thw work out of the closing balance which is as stood on the date of report i e , 26-9-47 - R33,000/-

This proposal deserves consideration I, request, therefore, that Government may be kindly moved to accord sanction to the resolution of the council early. But the wprk will be got done unler the direction of the Public Works Depaitment

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Mysore District

Dear Sir

The Municipality intends building eight shops in the Vegetable Market of this Town and passed a resolution on 27-8-1947 accordingly It was submitted to Government through the Deputy Commissioner Since the amount has to be met out of our closing balance, I request you to kindly get the sanction accorded so that we may call for tenders through the Municipality, of course, under supervision of P.W D. This will save time and money

The Minister who was pleased to visit this Town last week promised to look into this aspect of the question and pass necessary orders There is a Sanitary Inspector who has been tarined in P. W D. works employed in this Municipality, and he is supervising every Civil Works

It is proposed to take the assistance of the Local Assistant Engineer inthis behalf As this will save 12½ per cent of the estimated value towards tools and plants charges which amounts to nearly Rs 1000/- it is found to be good savings to the Municipality

I therefore request you to kindly accord proper Early sanction to the scheme and to get the same worked throuh the Municipality
